

Superstructure Finishes – Crew Product Guide

Externally – Deeply Clean Marine soft cleaning products have been designed to maintain a launch day finish to all surfaces on board as a part of a daily maintenance and detailing system. Specifically, Bird and Insect Foul, Salt & Atmospheric pollutants, Oil and Surface Waste dirt, Airborne Dust/Sand deposits and the impact of Temperature Variation on dirt accumulating in difficult to clean surface areas.

All our product range has been independently tested to ensure both the integrity of cleaning performance and the non-abrasive qualities of each fabric.
